Morning Peter,

I've just got a note from one of the best young waiters/restaurant managers I've met anywhere in the world. He's also a walking positive press release, so to speak, and you'll know what I mean if you ever meet him, or are served by him. You might recall me and my family were so impressed with this guy when we were staying at the Novotel Ningaloo Reef - I sent a note to their GM with you CC'd you in urging them to put him up for the Rising Star award at the HM Awards?

He speaks good English, but is Mauritian, so he also speaks French, and he's obviously worked for ACCOR before, as well as a number of other prominent restaurants around Aus. He now wants to come and stay long-term in Sydney. Peter - I'm not sure if you know anyone in ACCOR recruitment or F&B that you could pass this onto - but I trust your judgement and believe me it would be money in the bank for ACCOR if you hired this guy.
